Mr. Bob Coleman  
249 Blaze Climber Way  
Rockville, Maryland 20850

To Whom it may Concern,

It is my pleasure to recommend, Mr. Bob Coleman

Mr. Coleman has worked for the Jewish Community Center of Greater Washington since 1977. He has worked with older adults doing Yoga and exercise since that time

Mr. Coleman has hardly missed any time in his tenure. He is punctual and has a wonderful attitude. He is loved by his constituents and it is my feeling that he has helped this population remain more functional in their lives. Bob builds trust with the people he serves.

We now know that exercise is an important tool to keeping seniors functioning but Bob Coleman was ahead of his time and tried to make exercise, Yoga, meditation and movement a part of seniors lives since he began.

It is my feeling that Bob Coleman would be an asset to any organization. He has been invaluable to the Jewish Community Center of Greater Washington.

Sincerely Yours,

Selma Sweetbaum  
Adult Division Director
